

Updates: The Village gathering, I thought was well attended and around 75 people attended. A big thank you in particular to Maggie Cannell, Carolyn Leggett, Claire and Joe Vettese, Lil Newton and Maureen Fletcher. And additionally Sarah, Steve and Kerensa Rees for their help in the kitchen.

The feedback was very positive and some ideas have surfaced for Village events and support.

Expenses: Maggie Cannell has asked that a contribution be made to the All Saints Church Fund in lieu of all the ingredients and making/baking and help on the day. Amount to be decided by PC. The majority of the cakes were provided by Maggie. Claire Vettese will be presenting her expenses and I will at some point gather the receipts.

The burglary of the Pavilion sheds has been admitted to by 2 individuals who are now in prison. They carried out a total of 54 burglaries across Norfolk, Suffolk, Lincolnshire and Cambridgeshire.

Neighbourhood plan – no further action as yet. East Suffolk have issued an agreement to be signed by the 3 Parishes but as there is hardly anyone left on the Committee, this is a little difficult. I will am planning some advertising to try and get more interest.

Haywards – Mandy Chapman (CC booking secretary) has received an invoice from Haywards for the fixing of grounds equipment – the total is around £380 and is from 2019. The CC is not aware of this equipment or that it is being fixed by Haywards. Anyone on the PC aware? If it is not claimed, the CC will be checking what the equipment is and then letting Hayward dispose of.
